

TED BAKER PORTMEIRION®

Rosie Lee

Ted Baker and Portmeirion have together created Rosie Lee, a beautiful fine bone china tableware and tea story collection. This stunning collaboration between two iconic British brands puts the fine into dining using Ted's signature prints.

The Rosie Lee tea story is decorated with floral prints and very much has a vintage feel. The elements are perfect for mix and match creating the perfect afternoon tea.

Rosie Lee ceramics are hand gilded with 22 carat gold and the majority of the range is available in stunning gift boxes.

Spring/Summer 16 limited edition

Capturing Ted Baker's hero prints for S/S16, Portmeirion has launched a stunning new limited edition giftware collection. The two designs, Hangarden and Tribalmix, feature detailed floral patterns which make for a striking collection.

The Casual Collection

Never one to save the 'best' for special occasions, Ted has threaded his signature prints with Portmeirion's iconic silhouettes to create this stylish collection of lovingly designed ceramics.

Following the success of this stunning range, the Ted Baker Portmeirion Casual Collection has been extended to include some delightful new pieces. All items are available in gift boxes.
